Request for Qualifications and Request for Proposals (RFQ/RFP)
To Provide Professional Engineering Design Services for
The 2023 John McElwain Plant Improvements Project
For FCWRD

1. Notice is hereby given that the Flagg Creek Water Reclamation District (FCWRD) is requesting sealed packages for professional engineering services at the District's Main Office, 7001 N. Frontage Road, Burr Ridge, Illinois 60527, until 11:00 am Central Standard Time (CST), **Friday February 11, 2022**. At this same time, at these same offices, the names of entities having submitted in response to this notice will be publicly opened and read aloud and only services from these entities will be considered. Additional information can be found at flaggcreekwrd.org or by contacting Mr. Christopher Kokat by email at ckokat@fcwrd.org.

2. Background and General Description of Engineering Service Work

FCWRD owns and operates a 12 MGD Design Municipal Wastewater Treatment Plant to be improved for Biological Nutrient Removal (BNR) to include Process, Mechanical, Electrical and Controls upgrades. At this time specific improvements have been identified as: Implementation of BNR, Tertiary Clarifier Weir Reconstruction, South Plant MLSS Box, WAS Thickening, Disk Filter Screen Relocation, Bar Screen No. 1 Replacement, Addition of Grit Chamber Isolation Gates, and Wet Well Concrete Repair.

The Project is to be entitled: **The 2023 John McElwain Plant Improvements Project**

3. Description of the FCWRD Technical Committee

The Technical Committee is formed by three (3) representatives from FCWRD: Executive Director, Plant Superintendent and Engineer. Qualifications will be ranked by March 18, 2022, and the top three (3) firms will be asked to submit proposals by April 22, 2022.

4. Instructions to Interested Professional Engineers

To obtain an RFQ/RFP package that consists of the Detailed Information to be submitted for the RFQ/RFP process, please contact FCWRD during normal business hours at their main office located at 7001 N. Frontage Road, Burr Ridge, Illinois 60527, Phone No. 630-323-3299, Fax No. 630-323-4230. The package will be transmitted via e-mail only to interested parties.
