Request For Qualifications and Request For Proposals (RFQ/RFP)
To Provide Professional Engineering Design Services for the
Reconstruction of the Ginger Creek South and Harger Road Lift Stations
For FCWRD

1. Notice

Notice is hereby given that the Flagg Creek Water Reclamation District (FCWRD) is requesting sealed packages for professional engineering services at the District Main Office, 7001 N. Frontage Road, Burr Ridge, Illinois 60527, until 11:00 am Central Standard Time (CST), **Friday May 21, 2021**. At this same time at these same offices the names of entities having submitted in response to this notice will be publicly opened and read aloud and only services from these entities will be considered. Additional information can be found at flaggcreekwr.d.org or by contacting Mr. Christopher Kokat by email at ckokat@fcwr.d.org

2. Background and General Description of Engineering Service Work

The FCWRD owns and operates a sanitary sewer system that collects flow from sub-basins known as Ginger Creek South and Harger Rd. The sub-basins are served by separate lift stations. Design services are generally to include the following: study of the existing records, inspection of the collection system for the areas served and the existing lift stations, preliminary screening of design options, recommendation, and selection of a single option for design, preparation of a final design in stages with submittals at approximately 50%, 75% and 95% of completion for review. Preparation of all required permit applications, final contract plans and specifications for advertisement of bid, assistance during bidding with a recommendation for contract award after bid review. The Projects are to be entitled: **Reconstruction of the Ginger Creek South Lift Station and Reconstruction of the Harger Road Lift Station.**

3. Description of the FCWRD Technical Committee

The Technical Committee is formed by three (3) representatives from FCWRD the Executive Director, Regulatory Affairs and Contract Manager and Plant Superintendent. Qualifications will be ranked by June 25, 2021, and the top three (3) firms will be asked to submit proposals by July 30, 2021.

4. Instructions to Interested Professional Engineers

To obtain an RFQ/RFP package that consists of the Detailed RFQ and RFP please contact FCWRD during normal business hours at their main office located at 7001 N. Frontage Rd Burr Ridge, IL 60527, Phone No. 630-323-3299, Fax No. 630-323-4230. The package will be transmitted via e-mail only to interested parties.
